PROJECT DEMONSTRATION

TEAM ID	SWTID-2026-1705
PROJECT TITLE	AUTOMATING EMPLOYEE DATA

~~Project Demo Video Link:~~

https://drive.google.com/file/d/18wP99_RTHP9oIfUMsRQRmfRCzri36uMD/view?usp=sharing

- The project demonstration video explains the working process of the Automating Employee Data system developed using ServiceNow.
- The video shows how employee data is imported into the system and how the incident form automatically retrieves employee information using the configured features.
- The demonstration helps to understand the implementation and functionality of the project clearly.
